

HARPETH ROOM RESERVATIONS

LOVELESS CAFE LARGE GROUPS (32 - 70 PEOPLE)

In our traditional, casual dining format, the Harpeth Room serves as an extension of the Cafe where we prepare our authentic family-style menu for groups of 32 or more. Just like in the Cafe, depending on the size of your group, space may be shared with other diners. It's the same great Loveless Cafe experience, but in our quaint and historic event space!

Maximum guest count is 70 - please keep this in mind when booking tour groups and other large parties.

Reservation must be confirmed with a completed, signed contract.

Weekend reservations are not available in April, May, June, September, or October.

If you prefer a private event, please ask us for details.
